Petition No. 2002-0710-011-030

vs.

Samara DiMeola, LPN, Lic. No. 028116  
Respondent

**MEMORANDUM OF DECISION**

***Procedural Background***

The Board of Examiners for Nursing (hereinafter "the Board") was presented by the Department of Public Health (hereinafter "the Department") with a Statement of Charges and Motion for Summary Suspension dated August 2, 2002. Dept. Exh. 2. The Statement of Charges alleged violations of certain provisions of Chapter 378 of the General Statutes of Connecticut by Samara DiMeola (hereinafter "respondent") which would subject respondent's licensed practical nurse license to disciplinary action pursuant to *Conn. Gen. Stat.* §§ 19a-17 and 20-99(b).

Based on the allegations in the Statement of Charges and accompanying affidavits and reports, the Board found that respondent's continued nursing practice presented a clear and immediate danger to public health and safety. On September 4, 2002, the Board ordered, pursuant to its authority under § 4-182(c) and § 19a-17(c) of the General Statutes of Connecticut, that respondent's licensed practical nurse license be summarily suspended pending a final determination by the Board of the allegations contained in the Statement of Charges. Dept. Exh. 2.

The Board issued a Notice of Hearing dated September 4, 2002, scheduling a hearing for September 18, 2002. The Notice of Hearing and Statement of Charges were mailed by certified mail to respondent's address of record. Dept. Exh. 2.

Respondent was aware of the hearing and charges against her. In a letter dated September 6, 2002, respondent references the petition number in this matter and makes reference to the scheduled hearing. Board Exh. 1.

The hearing took place on September 18, 2002, in Room 2-A, Legislative Office Building, Capitol Avenue, Hartford, Connecticut.

Respondent was not present during the hearing and was not represented by counsel.  
Transcript, September 18, 2002, p. 5.

Respondent did not file an Answer to the Statement of Charges.

Each member of the Board involved in this decision attests that he/she was present at the hearing or has reviewed the record, and that this decision is based entirely on the record, the law, and the Board's specialized professional knowledge in evaluating the evidence.

### ***Findings of Fact***

Based on the testimony given and the exhibits offered into evidence, the Board makes the following Findings of Fact:

1. Respondent was issued licensed practical nurse license number 028116 on August 1, 2000. Respondent was the holder of said license at all times referenced in the Statement of Charges. Dept. Exh. 3-C.
2. Pursuant to a Memorandum of Decision dated June 5, 2002, the Board ordered that respondent's licensed practical nurse be placed on probation for a period of one year. Such disciplinary action was based upon respondent's diversion of Morphine and falsification of controlled substance records. Said Order specifically provided that respondent shall cause monthly employer reports to be submitted to the Department by her immediate supervisor during the entire probationary period; that respondent pay a civil penalty of \$500.00; and that respondent undergo a psychiatric evaluation. Dept. Exh. 3-A.
3. Payment of the civil penalty has not been received by the Department; respondent has not undergone a psychiatric evaluation; and respondent has not caused employer reports to be submitted to the Department. Dept. Exh. 3-A; Transcript, September 18, 2002, pp. 9-10.

### ***Conclusions of Law and Discussion***

In consideration of the above Findings of Fact, the following conclusions are rendered:

Samara DiMeola held a valid licensed practical nurse license in the State of Connecticut at all times referenced in the Statement of Charges.

The Notice of Hearing and Statement of Charges provided sufficient legal notice as mandated by *Conn. Gen. Stat.* § 4-177(a) and (b), and § 4-182(c). The hearing was held in accordance with *Conn. Gen. Stat.* Chapters 54 and 368a as well as § 19a-9-1 through § 19a-9-29 of the Regulations of Connecticut State Agencies.

The Notice of Hearing, Statement of Charges, and the hearing process provided respondent with the opportunity to demonstrate compliance with all lawful requirements for the retention of his license as required by *Conn. Gen. Stat. § 4-182(c)*.

The Department bears the burden of proof by a preponderance of the evidence in this matter.

The Statement of Charges dated August 2, 2002 alleges that respondent has not submitted monthly employer reports as required by the terms of probation ordered pursuant to a Memorandum of Decision dated June 5, 2001.

Respondent did not submit an Answer to the Statement of Charges. Pursuant to § 19a-9-20 of the Regulations of Connecticut State Agencies the Board deems the allegations in the Statement of Charges to be admitted.

Based on its findings, the Board concludes that respondent's conduct as alleged in the Statement of Charges is proven by a preponderance of the evidence presented. The Board further concludes that said conduct violates the terms of probation as set forth in the Memorandum of Decision dated June 5, 2001. Therefore, respondent's licensed practical nurse license is subject to disciplinary action pursuant to *Conn. Gen. Stat. § 19a-17*.

Dept. Exh. 2.

### ***Conclusions of Law and Discussion***

In consideration of the above Findings of Fact, the following conclusions are rendered:

Samara DiMeola held a valid licensed practical nurse license in the State of Connecticut at all times referenced in the Statement of Charges.

The Notice of Hearing and Statement of Charges provided sufficient legal notice as mandated by *Conn. Gen. Stat.* § 4-177(a) and (b), and § 4-182(c). The hearing was held in accordance with *Conn. Gen. Stat.* Chapters 54 and 368a as well as § 19a-9-1 through § 19a-9-29 of the Regulations of Connecticut State Agencies.

The Notice of Hearing, Statement of Charges, and the hearing process provided respondent with the opportunity to demonstrate compliance with all lawful requirements for the retention of his license as required by *Conn. Gen. Stat.* § 4-182(c).

The Department bears the burden of proof by a preponderance of the evidence in this matter.

The Statement of Charges dated April 23, 2002 alleges that from at least December 1, 2001 through at least January 11, 2002, respondent worked as a licensed practical nurse despite her license having been summarily suspended on November 21, 2001.

Respondent did not submit an Answer to the Statement of Charges. Pursuant to § 19a-9-20 of the Regulations of Connecticut State Agencies the Board deems the allegations in the Statement of Charges to be admitted.

The General Statutes of Connecticut § 20-99 provides in relevant part:

(a) The Board of Examiners for Nursing shall have jurisdiction to hear all charges of conduct which fails to conform to the accepted standards of the nursing profession brought against persons licensed to practice nursing. After holding a hearing . . . said board, if it finds such person to be guilty, may revoke or suspend his or her license or take any of the actions set forth in section 19a-17 . . . (b) Conduct which fails to conform to the accepted standards of the nursing profession includes, but is not limited to, the following . . . (6) fraud or material deception in the course of professional services or activities . . . .

Based on its findings, the Board concludes that respondent's conduct as alleged in the Statement of Charges is proven by a preponderance of the evidence presented. The Board further concludes that said conduct constitutes grounds for disciplinary action pursuant to *Conn. Gen. Stat.* §§ 20-99(b)(6) and 19a-17.

***Order***

Pursuant to its authority under *Conn. Gen. Stat.* § 19a-17 and § 20-99, the Board of Examiners for Nursing hereby orders the following:

Respondent's licensed practical nurse license, number 028116, is revoked effective the date this Memorandum of Decision is signed by the Board.

The Board of Examiners for Nursing hereby informs respondent, Samara DiMeola, and the Department of Public Health of the State of Connecticut of this decision.
